CONSTRUCTION SAFETY ***- OUR #1 PRIORITY***

Safety is your top priority. Owners and labor demand it as well. And that is why the AGC, Greater Detroit Chapter offers a comprehensive program of safety services designed to help you strengthen your safety program - leading to better trained workers, safer job sites, reduced risk and the avoidance of costs.

Need to train your employees?
Would expert safety advice on a specific project be valuable to you?
AGC has the answers!

Expert advice on critical issues such as fall protection, scaffolding, ladders, rigging, confined spaces, excavation, right-to-know, accident investigation, on-site hazard elimination, and many others is available to you and your company as a benefit of your membership with the AGC, Greater Detroit Chapter.

JERRY FABER **AGC SAFETY DIRECTOR -** **READY TO HELP**

Jerry Faber, a 30-year veteran of safety training, is available to help AGC contractors plan and implement safety-training programs as well as provide project specific on-site consulting. Jerry's experience as a safety expert was developed during his career as a trainer and occupational safety consultant with the State of Michigan's MIOSHA program.

Jerry's experience includes developing the training manual used in MIOSHA 10-hour and 30-hour construction safety seminars. He has also provided construction safety and health training to thousands of construction workers through hundreds of seminars and briefings at locations throughout Michigan.

Contact Jerry today to learn how you can train your workers, improve safety, reduce risk and avoid costs. Please call Jerry at 248.948.7000 or e-mail him at jfaber@agcdetroit.com

SAFETY SERVICES - **ANOTHER BENEFIT OFFERED TO YOU BY** **THE AGC, GREATER DETROIT CHAPTER**

As a benefit of membership, eight or more hours of safety services are available to AGC general contractor members. The actual number of benefit hours are determined as follows:

<u>Reported Volume</u>	<u>Member Benefit</u>
\$0 to 29,999,999	8 Hours
Each additional \$5 million	1 additional hour

Services include:

- Safety assessments of your facilities and field operations
- Consultations concerning MIOSHA issues
- Interventions with MIOSHA
- Company specific training programs

Scheduling is flexible, and may be most appropriate in your office or on-site. Phone calls of reasonable duration will not be included as service time, and drive time is at half the regular per hour charge.

Additional hours are available at below market rates if needed.
